

FSCA Newsletter

As summer is upon us I hope everyone is enjoying some summer activities with friends and family. And as June is the quota release month, or as I call it, Christmas in June, I hope everyone was successful in at least one hunt for the upcoming season. Hopefully, the new changes to the quota system improve everyone's experience. As everyone is aware, FWC Commissioners voted to accept the staff's recommendation on a much-needed Bear Hunt in Florida, and I want to personally thank everyone who either attended meetings in person or submitted comments online. The final vote will take place at the commission's quarterly meeting in August. Hopefully, after that meeting, we will have the 1st bear hunt season in Florida since 2015. I also want to thank the Board for approving the rental of a bus to attend the Ocala meeting, where we can show and voice our support. As the saying goes, "if you're not at the table, you're on the table," and this club was definitely AT the table on this.

Stay tuned to our social media and website for upcoming events and club meetings. I hope to see you at one soon.

FSCA's 5th Annual Father's Day Shoot

The FSCA's 5th Annual Father's Day Shoot, held at the Palm Beach County Shooting Sports Complex, was a tremendous success. We were proud to host twenty-two four-person teams who participated in this year's event.

This annual shoot is a fantastic way to introduce the community to the variety of shooting sports available at the Palm Beach County Shooting Sports Complex. With spots filling up quickly, we encourage everyone to register early for next year's event to ensure participation.

We are already looking forward to the **6th Annual Father's Day Shoot in 2026!**

The FSCA would like to extend a heartfelt thank-you to our generous sponsors for the 2025 event:
