FSCA General Meeting Minutes

8/12/2025 7:30 PM

1900 North Florida Mango West Palm Beach FL 33409

Meeting called to order by Matt Nelson at 7:30 PM

Pledge of Allegiance (All)

Introduction of Officers and Board

1. New information received and work completed-

2. Corbett road construction- An email was sent out with alternate proposals for the project. Multiple emails sent out by the public local and to Tallahassee which was heard but no changes made due to too much financial hardship. The goal moving forward is to push the project and get it done. Also pushing for filling in the low water crossings to safely move the campers and trailers in. Also pushing for camp B and camp N opening. We encourage continued email correspondence regarding the road project.

3. Corbett camping permit (myfwc.com/camping or (561) 624-6989)- Permits reasoning was to collect a count of camping/campers in Corbett. Permit applications are available per camper/vehicle within 14 days of each hunting season; the goal is to push for a year-round camping permit. Update: No campers within 30 feet of the pavilion of camp B; pavilion is for day use only.

4. Rule changes in Corbett for next year under construction- Discussed FWC rule change process.

Allow the use of buggies in dog training season.

To have 7 days after end of gun to remove campers.

No registered vehicles allowed on numbered roads.

5. Local FWC proposal- There will be emails/letters sent out we encourage everyone to respond and oppose this rule change proposal.

Buggies will have to stay on named and numbered roads all of muzzleloader and small game season.

6. FWC commission meeting 11/5 in Clewiston- We need to show support, solidarity, and voice concerns about proposed rule changes.

7. FSCA youth hunts 2025- Discussed the benefits of the youth program and how to apply.
